Prefixes:
214-645- for 5***;214-590- for
2*** ; 214-633-**** for 3***

IT: 87600

1. Click on **Tools** in the toolbar of Sectra's "Information Window" (i.e. main window) and click on **Options**
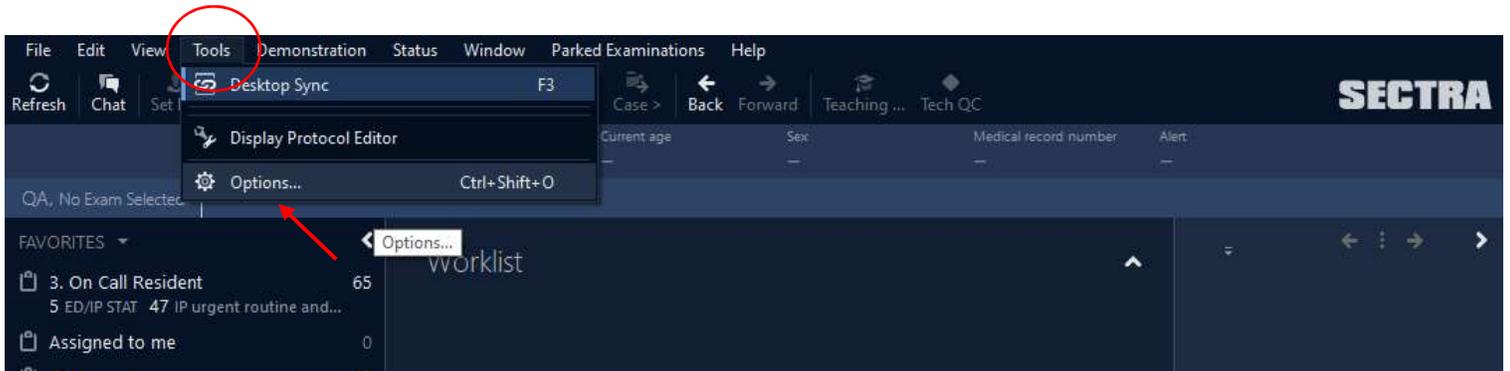

2. Click on your name, then click on **Continue >**
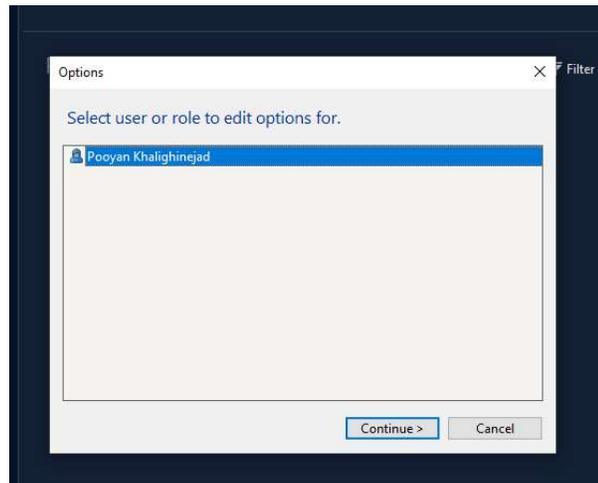

3. Click on the **Advanced Configuration** tab, then under **Information Window**, look for **Worklists and Search.** Now click on the **Info Panel**

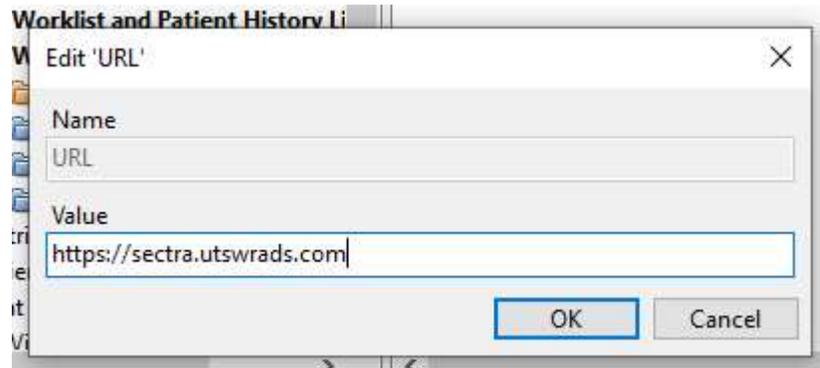

4. Now on the right panel, click on **URL** and then **Edit**.
5.

6. Copy and paste the following address to the opened window and click on *OK*:

<p style="text-align:center; color:red">https://sectra.utswrads.com</p>

7. Now choose *Visible at startup* and click on *Edit*

8. In the opened window, choose *True* from the drop down menu and click on *OK*

9. Now click on **OK**. Sectra has to be closed and opened again for the changes to take effect.
